Dear Mr. Kuwanwisiwma:

We are providing the Hopi Tribe an opportunity to comment on the proposed activity in San Juan County, Utah referred to as the ATV Safari. This event is scheduled to take place September 27-29, 2003, in various areas of the county (see enclosed Environmental Assessment and maps). The Monticello Field Office, Bureau of Land Management (BLM) is recommending a determination of no adverse effect for any cultural properties that may be located in the areas to be used by the ATV Safari. This recommendation is based on mitigating measures for cultural resources as outlined in the Environmental Assessment (EA) and on regulations pursuant to 36 CFR 800.4, 800.5; BLM Handbook H-8110 II C, III D.

Our request is that this EA be reviewed for concerns that the Hopi Tribe may have. If you have questions or need additional information please contact our Archaeologist, Nancy Shearin at (435) 587-1529. We will conclude that you have no concerns, if we have no reply from you on this matter in 30 days.

Sincerely,
